The Applicants choose to proceed with Species F, Fig.14, including claims 1 - 13 and 17. The shape of Species F is specifically claimed in claim 17. In addition it is respectfully submitted that claims 1 to 13 are generic and cover the general principles of this invention. Applicants understand that, should a generic claim be found to be allowable, they are entitled to consideration on the merits of all non-elected species which depend or are amended to depend from an allowed generic claim.

It is respectfully submitted that the application is now in condition for allowance, which is requested.
